This Writ Petition is filed by the petitioner aggrieved by the order of the respondents in not selecting him for the post of Sub-Engineer.

2. It is the case of the petitioner that he should be appointed as Sub-Engineer, as he had worked as a contract labour apart from possessing the qualification of Diploma in Mechanical Engineering.

3. The respondents filed their counter disputing and denying the claim of the petitioner. It is stated that though some other similarly placed persons were appointed as Sub-Engineers, but by the time the petitioner turn has came up for consideration, the posts of

Sub-Engineers were not available, and therefore, the petitioner's case was not considered for the appointment to the post of

Sub-Engineer. But, however, the petitioner's case was considered for the post of Plant-Attendant, but he could not come up for selection, as he did not fare well in the said selection. Therefore, he was communicated that he was not selected for the post of Plant Attendant.

4. Heard the both sides and considered the material on record.

5. In view of the above stand of the respondents, the petitioner is not entitled to any relief at this stage, as his case was already considered and as he has not fared well in the selection to the eligible post, his case was rejected by the respondents.

6. Therefore, the Writ Petition is dismissed. No costs.
